Dear High School Senior:

The Berea Fine Arts Club was founded in 1933 to further the study and development of fine arts and to promote an interest in the cultural life of the community. Current member artists create paintings, photography, jewelry, glass art, pottery, metalwork and works in other media. We hold 5-6 art shows each year as well. New members are always welcome!

The purpose of this scholarship is to contribute to our surrounding communities and encourage young artists to follow their dreams. This is the seventh year the Berea Fine Arts Club is sponsoring this scholarship program, and we hope to continue this opportunity for many years to come.

Applications will be considered from any high school senior accepted into an accredited university/college or School of Art with an intended major in *Visual Arts*. The scholarship amount is \$500.00, and will be given during the Senior Awards Night. **The application deadline is April 1st, 2011.**
