The Berea Fine Arts Club was founded in 1933. The object of the organization was to further the study and development of the fine arts and to promote and encourage an interest in the cultural life of the community. Meetings are held every month at 323 E Bagley Road Berea, Ohio 44017 at the Little Red School house on the second Wednesday.

Current members, about 30, reside in Berea and surrounding areas. Artistic media range in painting, watercolor, photography, jewelry, glass art, origami, pottery, metal and many more. New members are always welcome!

The purpose of this scholarship is to contribute to our surrounding communities and encourage young artists to follow their dreams. This is the thirteenth year the Berea Fine Arts club is sponsoring a scholarship program, and we hope to continue this opportunity for many years to come.
