Tangled Garden

Thursday May 18th from 7pm-9pm

Do you love organic tangles? Are you ready to learn some more challenging, but fun tangles? Just want to come and spend the night drawing? Then join us to create your own tangled garden. We will be creating our garden on brown paper using a black and white pen and using all organic patterns. You will receive a 8"x12" size brown paper, 1 black pen, 1 white pen. Fee for this class is \$35.

More Tangles

Monday June 19th & 26th from 7pm-9pm

Have you wanted to learn more patterns? In this 2 week class you will learn as many of the over 150 patterns as we can teach in the 2 hours each night. Please bring a sketch book or paper, pens and a pencil. Fee for this 2 week class is \$50.

Classes will be held at The Little Red School House

323 Bagley Rd in Berea

You must register for these classes by sending us an email to tangledink@gmail.com. Payment must be made in advance by either check or charge.

Zentangle is an easy-to-learn, relaxing, and fun way to create beautiful abstract images by drawing structured patterns. Originally Zentangle was developed for non-artists, there is NO artistic talents or skills required! Anyone can do this! The Zentangle art form and method was created by Rick Roberts and Maria Thomas.
